Happy Anniversary to Me!

Pleased to say I am entering my **50th** year selling cars. I've had enormous success after leaving NY at 24 on my quest to become America's top Buick salesman. Took 8 years, then did it 5 more times before being promoted regularly. Spent 7 years studying China's culture and learning to speak Mandarin. Coached Buick executives who went there to be lead division for GM.

More detailed stories to come in book I'm writing "**Adventures of Buickman**" to include playing tennis against Arthur Ashe after he won Wimbledon, 10 day road trip with Springsteen (on stage, backstage, suite next to him and Patti).

I attribute my success to **each of you**, my loyal and repeat clients who have contributed immensely through word of mouth referrals. I enjoy hand writing birthday letters, helps me remember you.

My company motto is "**Superior Personal Service**". I hope you find your Calendar useful.

Lastly, I want to ask a personal favor, for each of you to you call me directly at your convenience (586)-914-BUICK (2842) until 8 PM EST, 7 days a week. After raising 7 daughters, I have time available. This isn't a job, or a career, it's a lifestyle I enjoy! Would love to hear from you.

"Just want to give a shout out to Jim Dollinger and his team. I've been purchasing cars from Jim for over 40 years and it never ceased to amaze me of the high quality and character that him and his team has. They will go above and beyond to satisfy you and deliver the car or truck in a timely manner. I highly recommend you let your family and friends know there's a company that will look out for you and your best interest to give you the very best service and price possible, I'm a life time customer."
